Volunteer Appreciation Dinner

We can never thank our sponsors and volunteers enough. You make it possible for us to serve our neighbors in need downstate. In appreciation of your service, and to celebrate your generosity, we invite you and your family to our annual Volunteer Appreciation Dinner at 5:30pm on Tuesday, April 24, at the First Christian Church in Moundsville.

The very short program that evening will include speakers from the various counties we serve. Please RSVP by April 21 (845-2762).

Thank you for all that you do. Hope to see you there.

School's Almost Out...

Spring now blooms in the Ohio Valley, and soon the warm summer air will blow. We (or at least our kids!) know that school is almost over. Before school lets

out, take a moment to give away those school supplies you don't want to haul home from the classroom. AOI accepts new and used school supplies including:

backpacks, books, notebooks, paper, art supplies, pens & pencils, lunchboxes. If you need a service project, organize a collection at your school.

Help Parents with a New Baby

We've received word of several new children to be born around the state to parents in need. To help them out, we prepare Baby Bonus Baskets. Items currently needed include:

small laundry baskets, new born diapers, baby shampoo, wipes, pacifiers, sleepers, baby hats, onesies, diaper bags, bottles & nipples, diaper rash ointment, thermometers, infant nail clippers, small baby-safe stuffed

animals, toys and teethers, rattles, bibs, blankets, and other clothing and baby items. For a full listing, see our website.

If you would like to help assemble baskets, give us a call.

Odds and Ends...

Dollar-a-month challenge: This newsletter goes out to 400+ people. Can 300 of you give \$1 per month this year, which would cover the cost of one trip each month to an area of need? Mail your Dollar (or \$12) to: P.O. Box 233, Glen Dale WV 26038-0233.

First quarter report: We've had a stellar start to 2007. From January through March, we've made seven trips downstate, hauling 21 tons, logging 2,400 miles (not including nearly 1,500 miles for local pickups).
