

Christmas 2019

Greetings to All.

As this year winds down, I continue to ponder the question "Who knew?" Allow me share some of these questions with you.

- Who knew: That Appalachian Outreach (AOI) would enter their 19th year of service to the most vulnerable areas of WV and eastern KY?
- Who knew: That we would be able to hire second chance individuals who are trying to improve their lives and provide for their families?
- Who knew: That all of Appalachia, especially West Virginia would continue to see an increase in poverty and loss of jobs?
- Who knew: That resources would dwindle even more in the remote, rural areas we serve?
- Who knew: That all of you would make a great impact on those we serve with your generosity that keeps us going?

All of us at AOI and those we serve are so thankful for your generosity and support whether it be financial or material. In many areas of the State we are the only source of furniture, appliances, housewares and other items that are sorely needed.

We trust in your continue support to help us expand our outreach even more and to continue serving current areas. I have added information to the back of this page to give you an idea of what we can do with your help.

Together we can make a difference for those who need us the most!

Peace and Joy to all,

Rose Hart
