While much of the world has been shut down due to Covid-19, Appalachian Outreach has had a busy spring and early summer. The fire marshall condemned our old location in Moundsville and so on February 28 and 29, AOI moved out of our former facility to South Wheeling.

After moving, Covid caused us to close up shop in mid-March. **However, we are now open again!**

Hidden Treasures Thrift Store is located at 3643 Jacob Street and the current hours are 9am-4pm Tuesday-Friday and 9am-2pm on Saturday. We are also using the annex in the former Cooley-Bentz building (3615 Jacob Street) for storing furniture and other supplies and donations. Our long-term desire is to have the annex cleaned and fixed up so that we can move all of our operations into one location.

Even after moving in, we are still renting and hope to continue raising funds through our capital campaign for a permanent home. You can see more on the next page.

Praying Pelican Missions Team

We were excited to host a youth mission team with Praying Pelican Missions from July 7-9. The team came from Cherry Hill, NJ and stayed at St. Francis Xavier Church in Moundsville. While they were here, they helped move furniture, prepare Bibles and books for distribution, fill a tractor trailer with clothes donations, sort donations,

and much more.

They also completed some service projects at St. Jude Church and a few other locations in the community.

Many of our volunteer teams this spring and summer were forced to cancel their trips, so all of the volunteer help was greatly appreciated, especially as we relocate

and return to normal operations following our Covid shutdown.

Craft and Vendor Fair

AOI will hold our annual Craft and Vendor Fair on Saturday, October 10th from 10am-3pm. Meet us at the Moundsville Center to enjoy a variety of crafters, vendors, and a food court. For more information you can call the AOI Office (304-845-2762) or check out our Facebook page. In case of future Covid closures, please watch our Facebook page for updates:

Help in Times of Need

During our Covid closure, we were able to secure a grant of \$1,000 from the Community Foundation of the Upper Ohio Valley to purchase necessary PPE in order to reopen. We also received a loan from the federal PPP and an Economic Injury Disaster Loan to help with expenses that continued during Covid-19. *But, we still need and appreciate your donations and gifts.*

Capital Campaign continues...

It's a dire necessity that we continue to plan for a permanent home in order to better serve our neighbors in need locally and statewide. And it is a hardship on our volunteers and staff to work in an unheated facility. Our goal is to raise \$500,000. Funding will be used for purchase of

This issue we spotlight our faithful staff for moving and unpacking our former 30,000 square foot facility. They spent many hours cleaning and painting our new space.
